comprehensive & convenient

Complete control of light and mood

Each panel can be adjusted to filter and control light. Bayview shutters will let natural light in and still maintain privacy.

No fuss and low maintenance

Bayview shutters are made with quality craftsmanship to ensure longevity and minimal user maintenance. Unlike other window solutions, Bayview are virtually fuss free too! These shutters are very quick and easy to clean and are excellent for dust allergy sufferers.

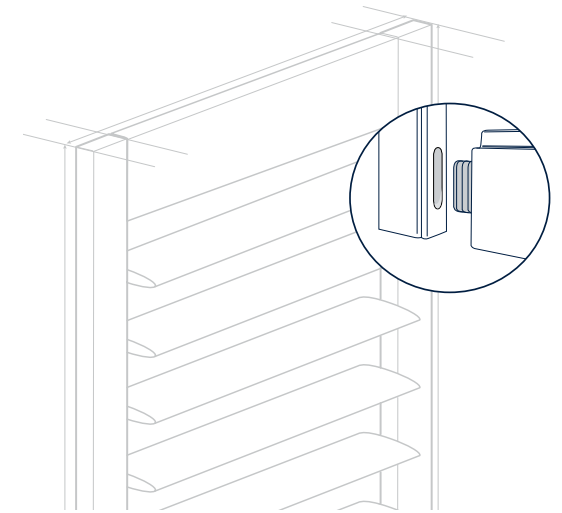

Insulated and economical

Bayview will keep you cool during summer and help retain the heat during the winter making them a perfect solution to reduce your bills.

Comprehensive customisation

Bayview shutters are manufactured to suit all window shapes and sizes because this premium product is custom made to suit any window.

This versatile range ensures that you get the most value and life out of your product in wet, dry or high usage areas.

Mortise and tenon joints, glued and screwed for stronger wider panels.
